PREPARING FOR LIFE

HAL tip of the week:

When eating your five portions of fruits and vegetables every day, ensure that you include a variety of different colours. Look in the exotic section; try something you haven't tasted before this week. Eat the rainbow!

Student Planners

Please take the time every weekend to go through your child's planner with them, to see what they have been learning and what homework they have; please sign the planner every week. Also encourage your child to look at the Literacy and Numeracy pages at the back; they contain some very valuable information and tips and tricks.

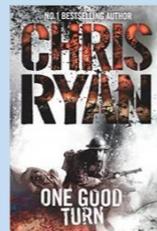

Roald Dahl Day

In keeping with our focus on reading, today is Roald Dahl day. Hopefully your children will read some of his fantastic books. A quote from Roald:

"If you are going to get anywhere in life, you have to read a lot of books."
