

What clubs have you wanted to try before but haven't been able to? Now is your chance to try them!

Have you considered sign Language, First Lego League, Chess, Pi Wars?

What is enrichment?

It is an essential part of the learning experience for our students here at Ninestiles.

The programme aims to:

- **embed the knowledge you have learned in lessons**
- **teach character education**
- **promote your personal development**
- **develop you into well-rounded members of the wider community**

Benefits of engaging with the enrichment programme for you:

- Increased motivation to learn.
- Improved self-confidence.
- Feelings of belonging to a larger community (Ninestiles community and the area in which you live and learn).
- Reduced anxiety about academic progress.
- Stronger relationships with friends whilst discovering a common interest.
- Increased persistence and resilience when finding tasks challenging.
- Practical use of skills and knowledge learned in lesson.

At Ninestiles we believe passionately in enriching our value to become the best possible version of ourselves and expand our opportunities beyond school as we move into the wider community.

IMPROVE YOUR WELL-BEING – LEARN NEW SKILLS - VOLUNTEER

As a student of Ninestiles, we will expect to see you develop yourselves by attending a variety of the following clubs:

WELL-BEING

(*RESPECT* for yourself)

Be pro-active in looking after your physical, mental or social well-being by attending a sports club with friends to socialise, compete against your peers (e.g. archery, girls' football, touch rugby and many more!) or show off your skills at Rock the house Jamming sessions on Fridays after school.

SKILL

(*ACHIEVEMENT* to improve chances of future career goals by developing new skills)

Learn a new skill, for example develop your reading in the OLA after school, practice your numeracy at Hegarty Maths club or learn how to do Henna art.

VOLUNTEERING

(*COMMITMENT* to improving your future chances)

Give back to your local community. Do a duty in the OLA to help others find their love of reading, support a teacher in running a club for younger students whilst developing your leadership skills or arrange to work in a local charity shop in your own time and free of charge!

In order to achieve your Bronze Privilege Praise Award, you need to achieve the following enrichment criteria too:

Bronze Award

- Attend a minimum of 6 weeks at a 'skills' club
- Attend a minimum of 6 weeks at a 'well-being' club
- Attend a further 10 weeks of clubs

In order to achieve your Silver Privilege Praise Award, you need to achieve the following enrichment criteria too:

Silver Award

- Attend a minimum of 6 weeks at a 'skills' club
- Attend a minimum of 6 weeks at a 'well-being' club
- Attend a further 2 * 6 weeks of 'well-being' and 'skill' clubs or 'volunteering'

In order to achieve your Gold Privilege Praise Award, you need to achieve the following enrichment criteria too:

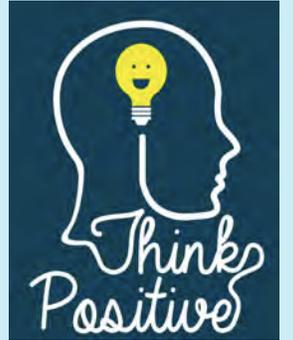

Gold Award

- Attend a minimum of 6 weeks at a 'skills' club
- Attend a minimum of 6 weeks at a 'well-being' club
- Attend a minimum of 6 hours of 'volunteering'
- Attend a further 2 * 6 weeks of clubs

Your safety and wellbeing

As our mission statement says, we aim to prepare students to leave our academy as self-respecting, **compassionate global citizens**.

In order for us to help you do this, it is our priority to make sure you have the opportunity to develop life skills outside of the classroom that will help you when you enter the wider community.

1) Do you think you do enough clubs in or outside of school?

2) Write down an example of something you learned about yourself whilst at a club, for example, working with new people, communicating with others, challenging yourself.

3) Give an example of how this has helped you in other aspects of your life, e.g. transitioning into your new school, overcoming difficult homework tasks.

Which of these appeal to you?

- Fitness club
- Debate club
- Reading club
- Choir
- LGBTQ+
- Visiting a local care home
- Volunteering to keep the school environment clean
- Mindfulness

This is a few examples, but there are many more. This is a very exciting programme for you to be a part of and we expect our pupils to attend at least one extra-curricular club (before or after school, or at lunch time) per week.

How will the enrichment programme benefit me?

We want you to be the best versions of yourselves as you leave your time in education and begin your adventure into the wider community, continuing your education and beginning your career.

The Ninestiles Privilege Scheme has been set up to aspire you to excellence. If you demonstrate the school's core values of RESPECT, COMMITMENT and ACHIEVEMENT, as well as regularly attending some of our enrichment programme clubs you will achieve the Bronze/Silver/Gold awards as you transition through your time here with us at Ninestiles.

We look forward to welcoming you to our school and seeing your flourish with our awards scheme.

More information regarding clubs will be shared via your tutor in September

If you have any ideas of clubs that you would like to try in September, email Miss Britt on Suzanne.britt@Ninestiles.org.uk to register your interest in clubs and we will try our best to make sure we can provide you with this opportunity!
