Drama Induction

YEAR 6 TASTER SESSION

Task 4

In drama we like to know everything about the characters we play, so we use a technique called **ROLE ON THE WALL**. We use a gingerbread man template and write all about our character. On the inside we write about their thoughts and feelings and on the outside we write about their hobbies, what they might look like, who their friends are and so much more.

You need to create a role on the wall but about yourself!
Include as much detail as possible!

Example:

enjoys playing
football

favourite colour:
blue

Best friend:
Tom

age: 11

kind

happy

hair colour:
brown
