When choosing their options, students should be mindful of their potential future Pathways. Those students who should be aiming to attend university should choose two EBACC subjects, one Modern Foreign Language and one of either Geography or History. All students are strongly encouraged to choose an appropriate mix of subjects.

**\*Key Skills**

**\*\*Russell Group Universities:** Comprises of the UKs most prestigious universities: Birmingham, Bristol, Cambridge, Cardiff, Durham, Edinburgh, Exeter, Glasgow, ICL, KCL, Liverpool, London School of Economics, Manchester, Newcastle, Nottingham, Oxford, Queens Belfast, Sheffield, Southampton, University of Central London, Warwick and York.

**\*\*\* An appropriate balance of subjects is strongly recommended. Please check the list of forbidden combinations before selecting options.**
