Other news:

Attendance and punctuality have notably improved over the last few weeks, since the introduction of our new morning routine, and we are very grateful to parents and carers for their support with this. It really will make a difference to the progress our learners make. There is always work to be done, particularly in our older year groups (where attendance and punctuality matter more than ever), so please continue to have those conversations with your children and support them in getting to school on time.

The days and weeks are flying by, but our learners are enjoying all kinds of experiences. Highlights this week include:

- Our Inclusion learners completing their AQA unit awards
- ASC parental workshops
- The Year 9 football match at Waverley School
- A successful first week of PPEs for our Year 11 learners – crucial practice before the real things in just 11 weeks!
- The Year 10 trip to watch An Inspector Calls at the Belgrade Theatre in Coventry. The feedback from members of the public and theatre staff was glowing, and we are very proud of our learners.

A reminder that we hold **Breakfast Club every day from 8.00am** in the Greenwood, open to all students, where they can get a **free bagel or toast for breakfast.**

A reminder that it's Year 9 Parents' Evening next Tuesday (7th March).
